

Flexible and rigid ureteroscopy workshop

May 23rd and 24th 2011

Clinical School, Addenbrooke's Hospital, Cambridge

This programme is aimed at urology trainees wishing to gain further exposure to techniques in rigid and flexible ureteroscopy.

A two day course to cover all aspects of rigid and flexible ureteroscopy, including 4 live cases, lectures and hands-on training.

Only 10 spaces are available on this course, giving a chance for all delegates to come into theatres to observe, as well as work on ureteroscopy models (two delegates per model).

**Faculty: Mr Matt Bultitude, Mr Junaid Masood, Mr Nimish Shah,
Mr Oliver Wiseman**
